

Silent Auction – Contact Sueann Murphy at 517-335-4035 or, E-mail murphysm@michigan.gov*

Silent Auction held in conjunction with Chili Cook-off fundraiser on March 21, 2007.

Donations are needed for the Silent Auction being held with the Chili Cook Off.

If you have a hobby or, or a Service? ... Woodcrafting, knitting, drawing, painting, a masseuse, etc., think about something you can donate. (We would love to see what talented staff we have). If you think you aren't talented ... there's always that gift you got for Christmas that you have no idea what to with it.

Auction items will be located in same areas as the Chili Cook Off for easy access for bidding. If it can be arranged, we are also planning to display some of the donated items before the auction for a looksie.

Sueann will send out more information as it gets closer to the date – but you can start donating now!

Remember, every donation helps raise money for your Wellness activities and is very much appreciated.
